

SIMON & SCHUSTER STATEMENT ON eBook SEQUENCING

The following is a selection of titles that are scheduled for hardcover publication by Simon & Schuster, Inc. from January-April 2010. eBook editions of these titles will be published 4 calendar months after the hardcover release.

We believe this publishing sequence will benefit the performance of all the different formats in which these titles are published, and in the long term will contribute to a healthier retail environment for the greater book buying public.
