“ Canouan: Heart of the Grenadines.

The spell of Canouan Island is immediate.

An elixir for the senses,

the air filled with a mythical infusion.

*Visual delights of hypnotic emerald waves
foaming atop surrounding coral as they make
their way to sugar-sand beaches.*

*An invisible perfume nourishes the body,
mind and spirit whilst hummingbirds pollinate
bougainvillea and orchid blossoms.*

The interplay of color glitters like rare jewels.
