Hey Joel - Just a fast update - I have an hour again this afternoon frm 4-5p. If the Gov does an interview and its exclusive, it will make air on the tv channel and our radio news service all across the country. And I'm not sure if you've seen the stuff I do on the channel as a reporter, but I work mostly for our primetime coverage - O'Reilly, Hannity, Greta, Beck -- so there would likely be primetime coverage as well for some soundbites of the Gov dispelling this flap...

Joel -

Good to talk to you - I would like to get the Gov to call in TODAY for 5-10 min between 10-11a to be on the Strategy Room (FOX News' live streaming channel) to set the record straight on the hiking story.

Having known the Governor for years and even worked with him when he would host radio shows for me - I find this story and the media frenzy surrounding it to be absolutely ridiculous!

Please give him my best.

He can call in to the show at [REDACTED] and you can watch it live at [www.foxnews.com](http://www.foxnews.com)<<http://www.foxnews.com>>. I have cc'd my senior producer, Jordan, here as well.

Best  
Griff
