**S**easoned travelers know that an enjoyable journey begins well before the boarding call. From check-in to take-off, from layover to landing, quality time at the airport sets the tone for uplifting travel. Now, American Airlines once more sets new standards in seamless travel by enhancing its renowned Admirals Club airport lounges, so that every stop reaches new heights in comfort, convenience, and productivity.

American Airlines is heightening amenities throughout its 44 worldwide Admirals Club lounges, including new or newly refurbished clubs in Logan International Airport in Boston (set to be completed in 2010), Raleigh/Durham International Airport, Chicago O'Hare International Airport, and Washington Dulles International Airport, as well as in its Flagship lounge in Miami International Airport.

Members can rest assured they will find the perfect welcoming spot to relax and refuel, where a complimentary cup of coffee or tea, a soft drink, and light snacks await. Guests can also enjoy a daily newspaper or entertainment on a sleek flat-panel television, while luxuriating in inspired décor, from terrazzo flooring in Chicago's O'Hare to the 3,000-square-foot surroundings in Washington Dulles.

Those with an appetite will find delights in the Amora™ service's array of offerings. For breakfast, select items such as seasonal fruit or breakfast paninis; sample a lunchtime salad or savory soup; or quench your thirst with a lively cocktail. At each Flagship Lounge, guests will also relish an elegant complimentary buffet of full meals, an Afternoon Tea complete with scones, and a Late Night Bite of cheeses and desserts.

Travelers seeking to connect with the world can do so in a click with complimentary Wi-Fi access. Those who are all business can make use of a Business Center outfitted with personal computers with high-speed Internet access, PC data ports, telephones, global printing solutions, copiers, and fax service—and also take an online meeting at a cyber café or, in select clubs, convene at a corporate conference room available for rent.

Every Admirals Club ensures that its members arrive at any locale refreshed and primed for their flights with premium services, including personal assistance with reservations, seat selection, upgrades, and boarding passes. Once on board, passengers will enjoy the same high caliber of comfort, with outstanding dining, comfort, cutting-edge audio-visual technology, and a host of entertainment options.
