THE FIT FACTOR Bourne should be wearing a bra that fits. "A bra that's too big will be on your shoulder straps and will support it," says Barlow. "Go down a band with three cups to a B, for instance, and then you're able to find it." **LADY PINK-A-LIN** Her bra is a more recent find. "I've had a few, but this one is a really, really good fit." **FOR A LOW-CUT TOP** Barlow: "You should have one to wear, and it needs to make you feel like the model in the picture could take it out of you. It's not just the 'I want to see'."
