WATCH CURMUDGEON & ON VOYURISM BRAND HIGHLIGHT: BERNHARD WATCHES

Hands On Preview of 88 Rue du Rhone

BY JILL SOTO BY W&W IN ARTICLES 1 COMMENT

On Monday evening, Zach and I had the good fortune to preview the full line of **88 Rue du Rhone** timepieces. We were graciously guided through the company's development and philosophy by representatives of the new brand, and got our hands several of the pieces, which range in price from \$395 to \$995.

Initial Impressions: Techné Sparrowhawk II

January 13, 2012

"Check out our full review of the Techné Sparrowhawk II here. The Techné Sparrowhawk II is a watch that we've had on our radar for sometime, starting when the brand showed an early video of the watch's unique meca-quartz movement in action. A movement that combines quartz based time with a mechanical chronograph. [...]"
