Let NetApp take you out to the ballpark

[Headline]

Party at the Ballpark with NetApp

[Subhead]

> Eat, drink, and score new connections at AT&T Park during VMworld

[Body copy]

Run the bases, pitch a fastball, or just have a cold one on us. We've got a major league baseball park to ourselves for the night during VMworld.

Join us from 6:00 to 9:00 p.m. Tuesday, August 27, at AT&T Ballpark for a celebration like no other. You'll have the opportunity to tour the stadium or just head down to the field for the party. We'll provide food, drinks, and activities, along with lots of opportunities to connect with your peers from around the world.

NetApp Vice Chairman Tom Mendoza and other NetApp executives will be there, so come on out and do some networking—and have some fun at the home of the World Series Championship San Francisco Giants!
