10 Tips For Preventing Luggage Loss

"There are two types of luggage in this world: lost and carry-on," says Kevin Coffey, an active police detective and travel security expert with **Corporate Travel Safety**. "But really, the majority of lost luggage is reunited with its owner." To determine the best ways to keep your bags intact — and easily retrievable — we interviewed several experts in the field of safe travel and acquired their best tips for making sure your luggage remains yours.
