Look, we don't know your life. Maybe you're a novice who's never planned a date past a dinner reservation and a clean shirt, or maybe you're a dating Grandmaster who hires hot-air balloons the way other dudes hire Ubers. Regardless of how your dating expertise stacks up, you know that the city offers more date-ventures than dinner and drinks, drinks and dinner, and more dinner and more drinks.

So, to help you mix it up, we culled a list of the 42 awesomest dates you could possibly take someone on in NYC, and sorted them all by which date (first? third??) you should use them on.
