CAPITAL TAX & ACCOUNTING SERVICES LTD.

Take Your Business to Japan with Capital Tax & Accounting

Based in Japan, Capital Tax & Accounting helps companies and their burgeoning affiliates maintain an international presence with Japanese centric accounting support including corporate tax filing, company establishments, and payroll processing. Clients rely on our services so they can focus on corporate growth without reporting uncertainties thus maximizing budgets and employee time.

Why Capital Tax & Accounting? Our accountants are immersed in the Japanese marketplace and expertly prepare complex filing or payment situations accordingly. We also maintain operations in Vancouver, Canada, and Shanghai, China, ideal for expansion and international innovation. With Capital Tax & Accounting at your side, its time to innovate in Japan.
