# finding support

IN YOUR RECOVERY PROCESS

Patient support is always foremost in our minds. From day one, our patients are empowered with a comprehensive home exercise program and constant functional progression thereafter. Everything we do is to facilitate your healing and help you achieve optimal flexibility.

*"You revived me and freed me from post-surgical pain. Your special care, professionalism, and friendly atmosphere made a miracle in my life." - Sulamif A.*

## process for healing

**TRAINED PROFESSIONALS EVALUATE  
YOUR REHABILITATION NEEDS.**

We know you need care right away, so we strive to offer an initial appointment within 24 hours of your call. We value your time and do our best to treat you at your scheduled time. Initial evaluation reports are provided within 48 hours of your first visit, and reports are prepared on a regular basis.

Throughout your recovery, we remain focused on your healing process. One-to-one care and patient satisfaction are our primary goals.

**SPECIALIZED TREATMENT PROGRAMS  
DEVELOPED FOR INDIVIDUAL NEEDS.**

All treatment programs are especially created for you based on your diagnosis, your goals, and your lifestyle. We plan your treatment based on the activities you love so that you can return to your life as quickly as possible.

**ONE-ON-ONE PHYSICAL THERAPY  
HELPING YOU GET BACK TO LIFE.**
