## INSIDE:

- Annual CHOC Toy Run
- OCR Christmas Party
- Autocross Corner

## Your dream isn't going to fulfill itself.

Sleek arcing roof line and curving shoulders flow in perfect unison. Muscular hips telegraph what lurks beneath the surface. Press the accelerator and feel the road-grabbing power of an unbridled, 295-horsepower, 3.4-liter, mid-mounted flat-six engine. The unprecedented Cayman S. It's stirring things up.

## President's Message

February is the month to remember the one you love. The one who is always there, ready to go at a moment's notice. Dependable, fun and exciting. No, I don't mean your Porsche—it's your better half, of course. This is my lovely wife, J'nan, in the photo enjoying a past OCR tour.

I heard a saying once; "Behind every great man is a greater woman." Something like that, I think. This month, cherish and remember the one who has allowed you to participate in our events, whether it has been an Autocross, Concours or tour. Did you really need those new chrome-plated valve stem covers with the Porsche crest? Of course you did! How many endless hours has your wife sat patiently at a Concours or Autocross while you enjoy yourself with your "Porsche buddies?" Or put up with your "crazy driving" on our driving tours?

Let her discover what the fuss is all about. Join us on the "Sweetheart Run," scheduled for Saturday, February 9, 2008. Let her drive the Porsche. Some wives, however, would rather not drive, as is the case with J'nan. That's okay—it's the thought that counts, as they say.

If you can't make the tour, make certain to remind your wife how much she means to you and do something special for her. Treat her like a new girlfriend rather than "the old faithful." That goes for your Porsche as well. Buy those chrome-plated valve stem covers and make her feel special. A diamond tennis bracelet doesn't hurt either—you know who gets that one.

Armand Gastelo, *President*

The OCR Christmas Party was held at the Phoenix Club with 110 members. The big rain showers forecasted stayed away so almost everyone made it on time, in spite of the usual heavy traffic on Fridays in the OC.

Check-in was conducted by the lovely duo of Florine Swain and Sheila Ainsworth (yes, the author is prejudice) along with the dynamic supporting cast of Lynn Watson.

Garey Cooper was our illustrious Emcee again this year with his usual quips and anecdotes to keep the members giggling. He was accompanied by the Main Street Band who ad-libbed or ad-musiced in perfect harmony with our precisely choreographed program.

The party started with the no-host bar, which this year was stocked with some really delicious beers from Germany along with the usual libations. It was really hard to decide where to start.

The main menu course was a yummy choice of Top Sirloin Steak or Chicken

awards to Terry Wells for all of this club support while at PCNA and Bev Giffin-Frohm for her work as our Zone 8 Representative. Chris then presented the Female Enthusiast of the Year Award to Grace Fredrickson and, not to be outdone by his bride, Ken Fredrickson was presented with the Male Enthusiast of the Year Award. David Miranda was given with a special President's Award for his outstanding efforts in reorganizing the Goodie Store.

Piccata. Believe it or not, the steak was 2 to 1 choice over the fondly remembered "Rubber Chicken" from years past. The meals were washed down with plenty of wine brought by the members and an extra bottle donated for each table by the Hergesheimers. They even sprung for the corkage fees so multiple kudos go to Mark & Laura.

During dessert, we conducted a Christmas Trivia Quiz which tried the minds of the younger attendees. Sure enough, it was the 39+ year-olds that won out with Kerry Velasquez and Bill Enke tying for the least-wrong answers. Kerry won the grand prize of a wine gift pack in the tie-breaker drawing. Bill still got the second-place prize of (you guessed it) another wine gift pack.

Following dinner, the Pando cover auction was conducted by Grace Fredrickson along with the able assistance of that very huggable and chubby Santa (a.k.a. Frank Goodyear). President Chris Duva then presented special

Our incoming President Armand Gastelo introduced the new Board Members in attendance; Nicole Forrest-Boggs, Vice President; Phyllis Meng, Treasurer; Tom Meng, Secretary; and Pete Lech, Membership Director.

The Silent Auction, coordinated by Nicole Forrest-Boggs, was a rousing success with almost \$6,000 collected for CHOC. This amount was over \$2,000 higher than last year, which warms Jerry Muno's heart. There were some really great items and the bidding was really ferocious.

The evening concluded with lots more dancing and the auctioning of the beautiful centerpieces provided by ADA Flowers.

Thank you to Ed Watson and Judy Lech for taking photos along with all the other volunteers not mentioned for making this party successful.

# CHOC Toy Run

By Jerry Muno  
Photos by Barnet Photography

## December, 2007

As usual, the Annual CHOC Toy Run was a great success. We had great weather, a good turnout and very appreciative patients. We even had a police escort, courtesy of Al Aldecoa. The escort was not just a single officer, but about five motorcycle officers blocking each intersection on the route. Talk about feeling special! That was great. I was surprised, however, about the number of Porsche drivers that were hesitant to rush through red lights just because the cop said so...did they all fear entrapment? Or, were they just being cautious...

At the hospital, the first 50 cars could park in the driveway—the others must have been directed to the parking structures, because I know there were more than 50 cars involved! (Maybe next year, I will ask someone to count the cars as they leave Original Mike's.)

When the patients came down, they had a lot of Porsches to ogle and admire. Also, James Buck brought his Porsche tractor and trailer for them to sit on and climb over. It is always a big hit with the kids.

At the end of the celebration, when all the toys were distributed and the kids were ready to go back inside, we held a raffle for a PCA-OCR plaque, courtesy of our Goodie Store. It was won by Ken ("Fast Freddy") Fredrickson. He claimed that it was the first raffle he has ever won...hmm! We ended at about 11:30 a.m., just in time for the die-hards to go to the 993 Tech Session at Callas Rennsport.

*Thank you to all the members who donated toys and came to the hospital to visit with the children.*

# Wow—Two Years! GMG Becomes Series Sponsor And, “Beyond Autocross...”

“Girl Power!”

As we complete year two of OCR’s Newport Auto Center Driving Events Series, I want to take this opportunity to thank our sponsors Newport Auto Center, Stuttgart Performance, GMG-Global Motorsport Group, Hergesheimer Motorsport, Fairview Mortgage Capital, Chips Away, First Travel of California, Autowerkes and VP Racing Fuels. They have all been key to our success. Also, very important to the success of the program has been the Orange Coast Region Auto-X Team, formerly known as the DEMENT – Driving Events Management Team. This group of dedicated individuals has spent many hours planning and managing our

events. The Auto-X Team organized 13 events in 2007, which included 10 Championship Events at El Toro Fields and The Streets of Willow, two Driver’s Clinics and one great party! These events were attended by over 400 PCA members who drove over 10,000 timed runs! The OCR Auto-X Team is to be commended for their dedication and hard work which has made Gerry Kokoszka and my job very enjoyable this last two years!
