Blog Articles

[Pacific Prime Health Insurance](#) Well-researched, high-quality SEO blog articles are delivered in tight deadlines articles for Pacific Prime and its affiliates in China, Hong Kong and the UAE. Whitepaper

[ThinkSocial](#) The Australia social media firm developed a series of "executive briefings" answering the question, "Which channels should I use and why?" Written in a corporate style, my job was to edit the copy and make it readable for the common man.

Full-Length Paperback

[In The Belly Of Oz](#) is a coming-of-age travel memoir of one year in Australia, a year that saw its subject, a former law student, recreate herself as lounge singer, hotel maid, cult-escapee and unlikely step-mother to a pair of teenaged girls. Published in 2014 by Iguana Books.
