Celerant Tax Connect

POWERED BY

Celerant Tax Connect, powered by AvaTax is a fully integrated end-to-end sales tax management solution. Cutting edge technology and superior processing logic help manage even the most complicated tax issues such as situs, nexus, tax tiers, tax holidays, exemption certificate management and product taxability rules.

Celerant Tax Connect seamlessly integrates to streamline the cumbersome process of manual sales tax management. Automated sales tax compliance eliminates guesswork, reduces audit risk and improves customer satisfaction.

SALES TAX DATA, CALCULATIONS AND RATES

- Sales tax data is delivered automatically, via the cloud–no more manual research or calculations required.
- Dynamic, real-time access to the most current rates and taxability rules increase efficiency of tax calculations.
- Address validation and geo-spatial technology ensure correct jurisdiction assignment for each transaction.
- Tax holidays and other tax-exempt events are automatic–no reconfiguring or reprogramming needed.

SALES TAX EXEMPTIONS

- Limit your tax-exempt transaction liability without all the hassle and in real time.
- Ensure valid certificates are on hand immediately through electronic collection and storage.
- Implement automated renewal notification and certificate requests.
- Shorten workflow process for requesting and accepting customer exemption certificates.

FILING AND REMITTANCE

- Celerant Tax Connect automatically fills out returns and provides your tax team with a liability worksheet for review.
- Notice management is handled by the Celerant Tax Connect tax experts on your behalf.
- Automation helps ensure timely filing, reaping the benefits of timely filing discounts.
- Single source payment strengthens management of Treasury–Tax Connect manages payments to each tax entity.
