Leader in Retail Software for the 11th Year in a Row

RIS News Magazine has announced its 14th annual Leaderboard of best technology vendors in retail, and Celerant Technology has placed 2nd overall among 99 software vendors. The #2 ranking is the highest Celerant has ever placed in its 11 years of appearing on the Leaderboard. Celerant was also recognized as the #1 Recommended Software Vendor by mid-size retailers, as well as the #1 leader in both the Apparel and Specialty markets.

#2 Overall Retail Software
#1 Recommended by Mid-Size Retailers
#1 Leader in Apparel Software Vendors
#1 Leader in Specialty Retail

"Celerant has been a key part of the growth of our business. There is no way we would be the size we are today if we did not have an integrated POS and web platform."
