

BEAUTIFUL, MODERN, ORGANIC AND SO VERY YOU

Check out this eclectic new furniture collection

It moves and changes along with you and showcases your personal style—the new Hudson Park Collection features a clean aesthetic that makes the most of any room. Made with reclaimed solid teak from the island of Java, the collection is traditionally crafted and built to last. See it in-store and at bloomingdales.com.

Get started on creating the space you've been dreaming of. Enlist the services of one of our **Interior Designers**. Call 212-705-2590 and be connected to a home design pro. interior design

Simple in form and generous in comfort, the luxuriously deep **Thompson Sofa**, below, fits in with the stylish **Jane Ottomans** and **Simon Cocktail Table**...With staggered compartments that showcase your treasures, the **Étagère**, left organizes, impresses and can serve as a room divider.

One of our favorite pieces is the sleek Scandinavian-inspired **Desk** and **Madera Chair**, above. Store, shelve and really show off in any room with this open **Buffet**, below.
