

# HELP YOUR STAFF PUT A BETTER SHINE ON YOUR HOME

Everything in your house can use a polishing up, and that includes your staff. That's why we're here to improve the skills of your housekeeper, nanny or babysitter.

From our office close by in the Pacific Palisades, we will teach your staff the 25 essential secrets that will improve their skills. These skills have been collected from the finest establishment in hospitality, including five-star hotels, private clubs and super yachts all over the world.

We can perform an in-home assessment to create a personalized household manual to keep your home running in perfect order.

## Tailor-made workshops cover:

- Creating daily/weekly/monthly schedules
- Improving organizational skills
- Putting on finishing touches
- Developing an eye for detail
- Setting the table, including glassware and serving
- Arranging flowers
- Mastering laundry techniques, including fabric care, ironing and folding
- Using products, both chemical and non-chemical
- Writing shopping lists
- Receiving guests and setting up the guest room
- Creating a weekly meal/snack schedule
- Motivating children with a reward system
- Scheduling school homework
- Communicating effectively with you

# KEEPING A HAPPY HOME

We can also help you find amazing help from our large database of people who have graduated from our program.
