Kids aren't the only things growing in (and out) of Room 5!

## How to be a good friend

by **Rachel R.**

1. Be nice to your friend, no matter what.
2. Be honest.
3. Help your friends if they get hurt.
4. Defend your friend if they get into a fight.
5. Don't let other people say bad things about your friends.
6. Don't let people be mean to your friend.
7. Don't exclude friends (or anybody) in games.
8. Help your friends when they are down.
9. Don't keep secrets from your friends.
10. Be loyal!

Live by the golden rule!!!

## Quips & Quotes

By Kaela K.

There is so much exciting stuff happening in CDF! For instance, I heard there was a scuffle in the hallway during a City Council meeting! Was the police chief called? I wonder ... Whose CDF product is the coolest? K.K. has an opinion, but she's not saying! ... Overheard: Mrs. Fiske's daughter is having a baby! Awesome! ... If you have any good jokes, inside tips, or fun news, call Kaela!

## CDF's Safety Rules

Do you know how  
to protect yourself if  
a fire broke out?

By **Honor D. and Nate N.**

If there is a fire: Stop, drop, and roll!

If the fire is not in your kitchen, get a bucket of cold water ready.

Open the windows and close the doors.

Get outside!

If there is an emergency, dial 911.

Don't take anything with you!

This message is brought to you courtesy of CityDittyFitty's fire marshals.

# The Decorators

The “L” girls, from left to right: Lavender B., Lucy G., Lily P., and Lea E.

CityDittyFitty's Central Park; illustration by Honor D.

No city has much style without a talented “L” team...

By Kendall K.

“I love being town decorator!” says Lily. Lea says she “makes posters,” and Lavender says its “hard work and stressful to do the job right.” Lucy and the entire team are good artists, which is why they landed such coveted positions.

# City Jobs, Explained

It takes a village to run a city smoothly. Who are the hardworking kids behind CityDittyFitty’s success? Here, a breakdown of the amazing students who hustle and bustle in the coolest town this side of Santa Monica.

## GOVERNMENT

Mayor **Anna K.** and Vice Mayor **Alex C.**

Who are our town’s top leaders? Anna likes “helping people” and wants to “make CityDittyFitty the nicest and best” place to live and work. Alex’s favorite task is “running the City Council.”

### City Council

**Rose A., Leo B., Honor D., Theo K.,** and **Nate N.** are all elected City Council members. Rose says the hardest part of her job is “saying no to people’s products,” but she loves “giving tickets and stamping products.” Leo is “organized and a fast thinker.” Honor helps to “solve arguments” and “likes to be busy.” Theo “lets everybody talk,” and Nate “is fair” and enjoys “being a great friend.” In addition to fulfilling their other duties, our City Council members and our Vice Mayor assisted with Fire Safety, Real Estate Developing, and Environmental Defending.

## GREEN & GORGEOUS City Gardeners

**Devin A., Dylan S.,** and **Alexander T.** tend to the blooming flowers and emerging buds growing in Room 5’s garden. Devin says the team is responsible for “planting and weeding.” Dylan admits that “getting really messy” is the toughest part of the job. And Alexander “loves nature” and “hopes the garden is pretty!”

### Parks & Recreation

**Nick. B.** “passes out the balls, makes the rules, and buys the balls” for kids to play. He says, “I want to make this city fun!”

### Town Decorators

Who makes our city pretty? **Lavender B., Lea E., Lucy G.,** and **Lily P.,** that’s who! Lavender “makes signs” and “makes things beautiful.” Lea is “great at drawing” and Lucy likes “being part of the team.” Lily’s aim is “to make our town look the best of all the cities.”

## CDF26 MAGAZINE STAFF

This creative team pulls together photos and copy for all that’s fit to print. **Kendall K.** is the Publisher. **Matthew S.** is the Editor in Chief. **Ilana F.** is the Photographer. **Kaela K.** is the Staff Reporter. And **Kent T.** handles Special Projects such as comics, puzzles, and games. Kendall enjoys “writing and getting people motivated” and is truly “efficient” at her job. Matthew is a “good speller and writer” and likes to “check for other people’s mistakes.” Ilana is a pro at “taking photos of people and products,” and Kaela “loves to write!” Kent enjoys “drawing comics.”

ESSENTIAL SERVICES

Here comes the cop! **Ethan D.** is CDF's Police Chief. He "makes rules and gives tickets

to citizens who don't follow the rules." He wants "to make the city great and safe."

**Polina G.** is the Postmaster. She "makes stamps, delivers and picks up letters, and designs the mailboxes." She's "creative!"

Books are on the brain for **Daria P.**, the town Head Librarian. "I love books and I'm dedicated!" she says. She wants to "organize the whole library!"

**Rachel R.** is a Mediator. She "helps people" when they fight and "gives out yellow slips." It helps, she says, "to have a dad lawyer—and experience."

CDF finance falls to **Aaron T.**, who is the Bank President. He "makes bank accounts and checkbooks" so "everybody in the city has money."

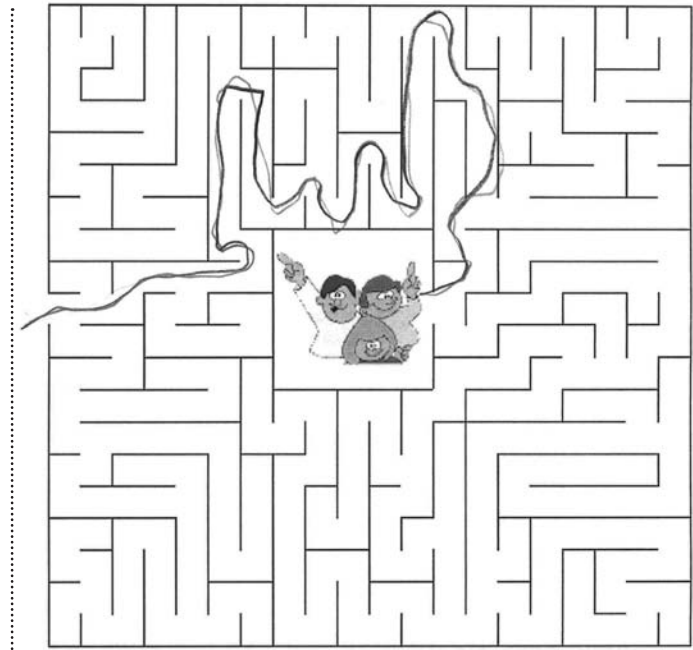

**Tucker B.** was appointed Environmental Defender. Although Tucker was on an outside assignment during much of our City work, he returned to CityDittyFitty just in time for our Tourist Days.
