

## WHAT DRIVES YOU?

You're driven to excellence—at work and at play. Let Emdeon take strokes off your revenue collection process and help you find the links between working smarter and playing harder.

You can't afford a hole in even one aspect of your claims and payments processes. We've got a full suite of automated solutions to keep you in the black (and on the green). Swing by Emdeon's booth 519 at AHIP Institute '08 for a demonstration.

# WORK SMARTER. PLAY HARDER.

Register to go to Augusta in '09! One lucky Emdeon booth registrant will win an all-expense-paid trip for two to golf's ultimate game in Augusta, April 2009. Simply drop by booth 519 to learn how we can help you master the claims & payment process, and register to go for the "green"!

Emdeon Business Services is the market-leading provider of claims and payment management solutions that simplify the business of healthcare. With the largest provider/payer network in the industry, Emdeon enables payers to unite with one partner in order to improve efficiencies and lower administrative costs.
