Chicago’s 1,000 Bra Man

Just call him the “bra man.”

Oz du Soleil, 44, of Chicago’s [Kilbourn Park](#) has hundreds, if not thousands of bras in his basement. Boxes and boxes of them, sorted in their cardboard containers by cup size, each holding every type and style imaginable.

When I first heard about this guy, my reaction was like everyone else:

“Are you kidding me?”

HOW IT STARTED
