

Plan a winter getaway

Dear Shedd friend,

The weather may be frigid, but you can dream of warmer days with a getaway to Shedd! Visit this winter to stroll through a steamy rainforest or splash into a coral reef in the Philippines. Whether you're planning your first trip here or you've circled the Caribbean Reef a dozen times, we have a few insider tips for a great visit:

- [Start online](#). When you buy Shedd tickets in advance online, not only do you receive exclusive savings, but you also get priority entry. Be sure to print the tickets at home or display them on your mobile phone when you arrive.
- [Have a chat](#). Our experts give daily chats on sharks, belugas, sea lions and penguins. See the schedule and join them for a fin-tastic conversation.
- [Dive deeper](#). Make your trip to Shedd one you'll never forget by signing up for an Extraordinary Experience. Go behind the scenes, meet a beluga, or find out what it's like to be a trainer at Shedd.
- [Take a ride](#). Public transportation is less expensive than driving and parking, and the CTA delivers you almost to our front door.
- [Be your own guide](#). Download one of our self-guided tours and show yourself around Shedd. We have themed maps that include must-see kids sights and hidden animals.

Sincerely,
Your Friends at Shedd
