

We Can Second Edition Prepares All Children for Success in Kindergarten and Beyond

Give your students a strong foundation for academic achievement with the new *We Can*® Early Learning Curriculum:

- Aligned to Head Start and the National Association for the Education of Young Children (NAEYC)
- Addresses the reading foundational skills of the Common Core State Standards in kindergarten
- Integrates differentiated instruction to address a range of abilities
- Includes high-quality professional development to support teacher growth at all levels
- Provides explicit lesson plans that include a robust daily focus on literacy, numeracy, and oral language development

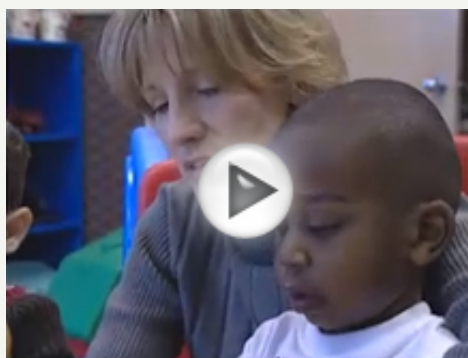

The new edition offers explicit classroom management tools and *The Learning Zoo* app, which provides readiness activities that engages students through fun, vibrant digital activities and games.
